

A detailed illustration of a wooden ship's steering wheel. The wheel is made of light brown wood with a prominent grain and features eight spokes radiating from a central hub. Hanging from the top of the wheel are two buoys. The buoy in the foreground is white with a blue band around its middle and a blue top. The buoy behind it is entirely blue. Both buoys are attached to a thick, light brown rope. The background consists of vertical green and white stripes on the left and a large, solid pink shape on the right.

A stylized illustration featuring three marine life elements. On the left, a large, light orange scallop with darker orange radial lines is positioned above a yellow starfish with white dots. To the right is a blue and white striped nautilus shell. The background consists of vertical green and white stripes, with a large pink abstract shape in the upper right corner.

A vibrant, stylized illustration of a lighthouse. The lighthouse has a conical body with alternating red and white horizontal stripes. At the base is a grey stone foundation with a dark blue arched entrance. The top is a dark blue lantern room with a small black dome. A large, light blue anchor is positioned in front of the lighthouse, with a thick, twisted brown rope coiled around its shank. The background consists of vertical green and white stripes, a large pink circle on the right, and a blue spiral shell at the top. A large, textured yellow star is in the top left corner. The overall style is whimsical and child-friendly.

A watercolor illustration of nautical-themed objects. In the center is a lifebuoy with alternating white and blue segments, tied with a brown rope. Below it is a blue sailor's cap with a white anchor emblem. To the right is a large, orange scallop shell. In the bottom right corner is a yellow starfish. The background consists of green and white vertical stripes and a pink circular shape.
